Dedication

I would like to dedicate this work to my wife Annette, who encouraged me and supported me in so many ways throughout this research.

Acknowledgements

I would like to thank Celiane Camargo-Borges for her guidance and encouragement during this research. Her insights, freely shared, were a great source of inspiration.

I would also like to thank Samaa Zaki Abdul Ghany for her participation and support during the Ramaqia School section of this research. Her enthusiasm for the topic helped me to persist over the academic year that we spent working together.
