

# Relational Practices in Health and Healthcare Healing through Collaboration

**November 10-12, 2016**

At the Global Center for Health Innovation, Cleveland, Ohio

[Register Now](#)

**The quality of healthcare depends on the quality of the relational practices in which we engage.**

Join in this exciting conference as we explore new and innovative practices in healthcare that focus on relational, collaborative and appreciative ways of working together.

## **Healing through Collaborative and Dialogic Practices**

- ❑ Connect with healthcare leaders, educators, practitioners and patients and their advocates
- ❑ Share, explore and discuss relational practices in healthcare
- ❑ Learn about collaborative and appreciative practices that make a difference
- ❑ Be in dialogue with leaders of transformational change in health systems
- ❑ Discover new stories of healthcare practices that transform your workplace and patient experiences

A Taos Institute Conference In partnership with the  
International Institute for Qualitative Methodology, University of Alberta
