An Invitation to Social Construction
Third Edition

Kenneth Gergen, Swarthmore College

‘Ken Gergen has taken all that is good in his second edition of the definitive Invitation to Social Construction, updated it, and made it even smarter. There is no more vibrant and engaging launch point for understanding contemporary social constructionism.’

-Jonathan Potter, Loughborough University

‘This third edition, enriched with three new chapters, remains an exciting introduction to the premises of social constructionism. As Gergen unfolds, in his own personal style, the ideas of dialogue, co-action and relationship one finds oneself relating to the book in the most engaging way. The book is inspiring for both the newcomer and the experienced pursuer of knowledge-making in constructionist terms.’

-Thalia Dragonas, University of Athens, Greece

This new edition of Kenneth J. Gergen’s celebrated text An Invitation to Social Construction is now even more accessible for students, offering a clear and thorough introduction to one of the most significant movements in contemporary social science. The Third Edition includes:

- updates reflecting the many new developments in theory, research, and practice
- a student-friendly, personal writing style
- three new chapters on education, organizations, and therapy and health care
- key insights into how social construction can help support you in your research projects, from start to finish.

An Invitation to Social Construction is the must-read text for all social science students, academics and practitioners wishing to learn about social constructionism, along with the forms of inquiry and practice central to its impact.
