Acknowledgements.....	6
Summary	7
Part I.....	8
Chapter 1: Purpose and outline of this study	8
Chapter 2: The importance of respectful behaviour in the work with communities	10
2.1. <i>A personal note</i>	10
2.2. <i>Why is respectful, non-dominant behaviour so important in working with communities?</i>	14
2.3. <i>Beyond behaviour: meaningful relationship</i>	17
2.4. <i>Little practiced</i>	17
Chapter 3: Description of the Community Action for Health program in Kyrgyzstan	18
3.1. Overview of Community Action for Health in Kyrgyzstan	20
3.2. Short information about Kyrgyzstan	22
3.3. The Development of CAH in Kyrgyzstan	23
3.4. Structure of CAH in Kyrgyzstan.....	27
3.5. Building blocks and results of CAH in Kyrgyzstan.....	31
3.5.1. <i>People's analysis of health</i>	31
3.5.2. <i>Formation of VHCs</i>	34
3.5.3. <i>Health actions</i>	35
3.5.4. <i>Organisational capacity building of VHCs</i>	43
3.5.5. <i>Capacity Building of the Health System</i>	47
3.6. Enabling factors, lessons learnt, challenges	51
3.6.1. <i>Enabling circumstances</i>	51
3.6.2. <i>Enabling design factors</i>	53
3.6.3. <i>Challenges</i>	55
Chapter 4: Theoretical foundations of the CAH program in Kyrgyzstan.....	57
4.1. <i>Overview of concepts that influence CAH in Kyrgyzstan</i>	57
4.2. <i>The socio-environmental public health model</i>	61
4.3. <i>Healthy lifestyle/health education model</i>	62
4.4. <i>Health Literacy</i>	63
4.5. <i>Engagement with communities to promote health</i>	66

4.6. <i>Synthesizing the different streams of health promotion</i>	86
4.7. <i>Summary of Theoretical Foundations of CAH</i>	86
Part II.....	88
Chapter 5: Social Constructionism	88
5.1. <i>A simple proposition</i>	88
5.2. <i>Consequences</i>	90
Chapter 6: Methodology of the two investigations of this study.....	93
6.1. <i>Introductory note</i>	93
6.2. <i>Data producing processes – The presence of appreciative principles in CAH</i>	95
6.3. <i>Data producing processes - Introducing AI into CAH</i>	96
Chapter 7: The presence of appreciative principles in the CAH program before the introduction of AI	98
7.1. <i>Reflection on PRA trainings with HPU staff</i>	98
7.2. <i>Discovery with HPU staff</i>	100
7.3. <i>Discovery with trainers</i>	101
7.4. <i>Interviews with trainers and HPUs on appreciative principles in CAH in Kyrgyzstan</i>	102
7.5. <i>Guest contributions</i>	108
Chapter 8: Appreciative Inquiry in CAH in Kyrgyzstan.....	117
8.1. <i>Appreciative Inquiry</i>	117
8.2. <i>Introduction of AI in CAH</i>	119
8.3. <i>Open Interviews with trainers/oblast HPU staff</i>	130
8.4. <i>Monitoring the number of own initiatives of VHCs</i>	133
8.5. <i>Generation of new ideas from below</i>	134
8.6. <i>Guest contributions</i>	135
Chapter 9. Conclusions.....	140
