LIST OF TABLES	vii
ABSTRACT.....	viii
1. Introduction	1
The intractability of indigenous-mining conflict: What is this really about?	1
2. Literature Review	6
What is special about the indigenous relationship with land?	6
How does mining impact land?	9
What are the traditional approaches?	10
Is there a resource curse?	11
Is there a Western bias?	14
Are indigenous groups marginalized?	17
Are indigenous people stereotyped?	21
Is there a power asymmetry?	23
Are values and identities important?	28
What is the heritage of indigenous-mining value systems?.....	35
What is good and what is right?.....	37
Is it a human-centered world?.....	51
Who counts?	53
Do diverse views on wilderness amplify indigenous-mining conflict?	61
What about Judeo-Christian thought?.....	82
Is there a perspective outside of modernism?	85
What is deep ecology?	90
Once damaged, can nature be restored?.....	98
3. The Case	109
Is there a suitable case?.....	109
Who are the Picuris?	111
Who is Oglebay Norton?	114
How did the conflict transpire?.....	116
4. Methodology	123
What is frame analysis?	123
What work has been done in the framing of values?	132
How has framing been used within environmental conflict resolution?	137
What work has been done relative to values and environmental conflict resolution?	139

What work has been done in value framing and environmental conflict resolution?.	143
Where should frame theory research go from here?	143
What method of framing is best suited for this research?.....	145
5. Frame Analysis.....	152
What value systems played a role in the conflict?	152
Do anthropocentrism and nonanthropocentrism play a role in the conflict?	156
Do instrumental and intrinsic valuing play a role in the conflict?	157
What role does moral consideration play in the conflict?	159
Do thoughts on the value of all living things play a role in the conflict?	161
Do thoughts on the value of ecosystems play a role in the conflict?	162
Do thoughts on wilderness play a role in the conflict?	164
Does Judeo-Christian thinking play a role in the conflict?.....	173
Do the shallow and the deep play a role in the conflict?	177
Do thoughts on restoration play a role in the conflict?.....	178
6. Discussion	183
Do indigenous groups have collective rights?	188
Are there alternatives to the good and the right?	195
Are there alternatives to anthropocentrism and nonanthropocentrism?	206
Are there alternatives to thinking about wilderness?.....	212
Are there alternatives to Christian stewardship?	220
Are there alternatives to thoughts on ecocentrism and ecological restoration?.....	222
Are there alternatives to thinking about the shallow and the deep?	225
So what?.....	230
What would this type of resolution look like?	231
Are there practical applications?.....	240
BIBLIOGRAPHY	244
