THE POSITIVE AGING NEWSLETTER

July-December 2020

Issue 114

=====

Dear Readers,

With profound sadness I must inform you that after battling with pancreatic cancer this past Spring, my beloved Mary passed away on September 22. Mary was the chief inspiration and energetic driver behind the publication of the Newsletter over the 20 years since its inception. Her infectious enthusiasm played a large part in its growth and translation into what is now 9 languages.

Mary's loss has left an empty space in the lives of so many of us, and in so many ways. The Newsletter is only one domain in which her absence will be painfully felt. While it is not clear how the Newsletter can continue without her, discussions are now getting under way. Should you wish to pay respects to Mary, I also invite you to visit www.taosinstitute.net/remembering-mary.

Her lively spirit remains with us.
